

## Forty percent of all Spring Lake Park High School seniors receive scholarships from generous, supportive local donors

At a year-end program at Spring Lake Park High School, students, parents, school district staff, representatives of local business and civic organizations, and family and friends gathered for a special event.

The annual high school Academic and Scholarship Awards program honored students for a multitude of achievements and featured the awarding of \$68,000 in local scholarships.

Scholarships were presented to over forty percent of the senior class.

Scholarship funding came from generous individuals, school groups, businesses, and civic organizations.

A number of special awards were presented as well. Fifteen seniors earned Minnesota Academic Excellence Awards for the fourth year. They are: Kendra Allen, Kyle Anderson, Alexander Aune, Jeffrey Clark, Bradley DeJong, Jonathan Delperdang, Brittany Graves, Kathryn Herman, David Karnick, Kiley Merritt, Jordan Seiffert, Harrison Tam, Rebecca Tetzner, Jessica Tripp, and Veronica Trocke.

One half of the local scholarship funding was courtesy of the generosity of the Spring Lake Park Lions District 16 Foundation.

A reception hosted by the Spring Lake Park Lions concluded the special evening.

*A very special thank you to these local scholarship donors and congratulations to these high school senior recipients.*
