

A Win-Win Situation: For the price of a Panther Foundation \$10 raffle ticket, you'll have a chance to win a \$10,000 car . . . and have the knowledge that all proceeds go towards enriching the educational experiences of our students!

The Panther Foundation is the extremely good friend of Spring Lake Park School District 16. It awards grants for innovative projects and experiences initiated by district staff members, parents, and students.

This year and last year alone, the Foundation has awarded 24 grants totaling nearly \$42,000, and positively affecting 2,400 students District 16 students. The Foundation's April 29 Grand Gala and this car raffle will provide funding for many more grants that will benefit students.
