### ***Every Ticket is a Winner... for the Students***

Proceeds from the raffle will be distributed to classrooms and students through grants, which, so far, have totaled approximately \$50,000. Add that to our special initiatives, and you've helped to make an investment of more than \$70,000 in less than three years. Thank you!

Grants and initiatives to date have touched thousands of students in Blaine, Spring Lake Park and Fridley, pre-k through 12th grade, in innovative projects that are having impressive results. We've witnessed increased test scores in math and reading. We've also enhanced the opportunities for individual students to develop to their full potential in numerous areas of academics and extra curricular activities.

Together, you and the Panther Foundation are making a difference. *Thank you!*
